### Press Release

#### **Colonial Electric Welcomes Swerbilow and the Crew from American Electric**

**Harwood, Maryland – August 1, 2008.** In August, Colonial Electric named Mitchell Swerbilow to the position of Project Manager effective immediately. In this capacity, Mr. Swerbilow will be responsible for overseeing all aspects of any electrical project regarding manpower, equipment, and scheduling.

During his 37 year career in the electrical industry, Mitchell Swerbilow has gained experience to make him an ideal fit for Colonial Electric. For the past twenty five years Mr. Swerbilow has successfully owned and operated American Electric in Annapolis, Maryland. Prior to opening American Electric Mr. Swerbilow worked at Colonial Electric from 1976 to 1983 in the position of Job Foreman. “We are excited about having Mitch and his entire crew from American on board. They will be a valuable asset to our company and most importantly, American Electric customers can be assured that they will get the same personalized treatment that they have received in the past,” commented Travis Katski, president of Colonial Electric, Inc..

#### **About Colonial Electric Company, Inc.**

Colonial Electric, Inc. is an established electrical contractor, having been in business for over 35 years. Colonial’s primary type of work is commercial, multifamily, single family, residential and service.
